

TARYN EWENS

WEB DEVELOPER

+61 403 913 057 taryn@taryn.codes

ABOUT

Fun Fact I taught myself to write HTML when I was about 10 years old so I could build websites about my virtual “dogz”!

After spending the last four years making confectionery, I decided to pull my passion for building websites from “side hobby” status to the forefront.

Inspired by beautiful and quirky designs, I am seeking opportunities within a highly creative team who value openness and collaboration.

EDUCATION

WEB DEVELOPMENT IMMERSIVE **FEB - MAY 2018**
General Assembly, Sydney
Immersing myself deep into web development studies for three months, graduating at the end of May 2018.

HTML, CSS & WEB DESIGN **JAN - FEB 2018**
General Assembly, Online
A part-time online circuit, covering basic web design concepts as well as an introduction to HTML and CSS. During this course my major project was creating my portfolio website, www.taryn.codes

WORK

PASTRY CHEF / CONFECTIONER / SUPERVISOR **Dec 2014 - Feb 2018**
SWEETNESS The Patisserie (later SWEETNESS by Adora), NSW
Managed the production schedule, while supervising & training a production team. Key skills included leading & training a team to meet strict deadlines, teaching workshops, & social media marketing.

FRONT OFFICE MANAGER **Jan 2010 - Mar 2014**
Ray White Grange, SA
A varied role covering all admin, marketing, and bookkeeping. Key skills developed include customer Service, a high level of organisation, working to deadlines, teamwork and attention to detail.
