### ABOUT

I am a determined full stack web development student, who has been in love with building websites since teaching myself basic HTML when I was just 11 years old. Now having decided to commit to this career, I am seeking opportunities in Sydney, Australia where I can grow my skills and creativity. I am currently studying General Assembly's Web Development Immersive & will graduate in May 2018.

### EDUCATION

**WEB DEVELOPMENT IMMERSIVE** FEB - MAY 2018  
General Assembly, Sydney  
Immersing myself deep into web development studies for three months, graduating at the end of May 2018.

**HTML, CSS & WEB DESIGN** JAN - FEB 2018  
General Assembly, Online  
A part-time online circuit, covering basic web design concepts as well as an introduction to HTML and CSS. During this course my major project was creating my portfolio website, [www.taryn.codes](http://www.taryn.codes)
